

NICK ⁴⁵ PISCIOTTANO

STATE SENATOR

SPRING 2025

Dear Neighbor,

It's an honor to serve in the Pennsylvania Senate and represent you in Harrisburg.

One of my top priorities is ensuring that you have access to the government services you need, so I hope that you will reach out to my office any time you have a question or need assistance. In addition to my district offices in Monroeville and McKeesport, we have daily, weekly, and monthly offices open in 13 communities to ensure you have easy access to the services my office can provide including Property Tax Rent Rebates, PennDOT questions, unemployment compensation assistance, senior bus passes, veterans assistance, unclaimed property, and much more.

My office will also be hosting events throughout the year to bring information and services directly to you including a senior fair, shredding events, and more. Please call, email, or visit one of my offices to talk with my constituent service staff who are available to help you with all state-related questions. Even if we can't help you, we will find someone who can.

It's a privilege to serve as your State Senator and I hope to see you soon in your community.

Sincerely,

A handwritten signature in black ink, appearing to read "Nick Pisciotano".

COMMUNITY CORNER

I was excited to be out supporting our community organizations during one of my favorite times of the year: fish fry season! Throughout the Lenten season, I've been visiting our local churches, fire departments, clubs, and more.

I had a blast reading to the wonderful students in Ms. Rusnica's 2nd Grade Class at Whitehall Elementary for Read Across America Week. Read Across America Week is a week-long celebration of reading that takes place from March 2-6.

It was bittersweet to visit Mr. Hoagie in Dravosburg on their final day of operations. After 57 years of serving our community, the team at Mr. Hoagie was ready for a well-earned retirement. It was wonderful to see so many people there for one last hoagie and a chance to say goodbye to this beloved community institution.

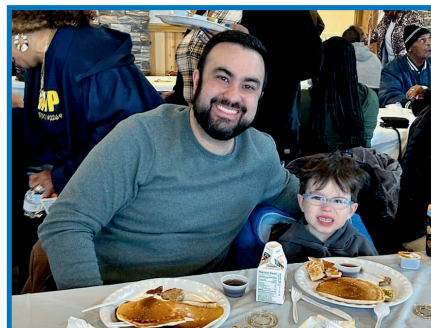

In February, I visited South Allegheny Middle/High School with Rep. John Inglis. It was great to see SA's innovative curriculum and focus on preparing students for life after K-12, whether that is in college, the military, a trade apprenticeship, the job market, or any path that leads to success!

I was honored to be the keynote speaker at the Turtle Creek Valley Council of Governments annual banquet! I was happy to explain the services my office can provide for local residents.

In February, I was excited to visit the NAACP McKeesport Unit's annual Black History Month Pancake Breakfast. Nico and I had another great time (and enjoyed our pancakes)!

I partnered with Rep. Brandon Markosek to host an information seminar with PennDOT about the Real ID process at the Turtle Creek Borough Building. If you missed it, you can watch a recording on my website.

HARRISBURG HAPPENINGS

SWEARING IN DAY

It was an honor to officially be sworn-in as a member of the Pennsylvania Senate in January. I was proud to join my fellow new and returning colleagues, as well as my family, to mark the occasion. It is a privilege to represent 37 communities in Allegheny County and fight for you in Harrisburg!

ANIMAL PROTECTION CAUCUS

I'm excited to chair the Pennsylvania Animal Protection caucus this year alongside Rep. Melissa Shusterman, Senator Rosemary Brown, and Rep. Kathleen "KC" Tomlinson. The Animal Protection caucus is bipartisan and the largest issue caucus in the legislature. In February, we kicked off our efforts to pass laws that protect animals across the state and were joined by some of four-legged friends from the Humane Society of Harrisburg Area!

COMMITTEE ASSIGNMENTS

2025-2026 Committee Assignments

FINANCE
DEMOCRATIC CHAIR

LABOR & INDUSTRY

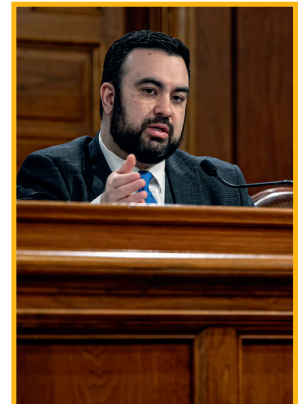

CONSUMER PROTECTION &
PROFESSIONAL LICENSURE

VETERANS AFFAIRS &
EMERGENCY PREPAREDNESS

GAME & FISHERIES

In January, I was named the minority chair of the Finance Committee, as well as serving as a member of a number of other legislative committees. As minority chair of the Finance Committee, I will have a critical role in driving a strong economy and ensuring Pennsylvania remains competitive with other states while fighting for low and fair taxes.

As Chair of the Senate Finance Committee, I participated in Senate Appropriations Committee hearings to discuss Governor Shapiro's Budget Proposal. I questioned the Pennsylvania Department of Revenue and the Secretary of Revenue Pat Browne about tax relief programs, closing loopholes for big corporations in our tax system, and Governor Shapiro's budget proposal for this year which makes critical investments with no tax increase.
